Our facility, based in Port Douglas, has a comfortable client meeting area and production office. Our web hosting server is U.S. based. We have a non-linear video edit suite and PC based workstations.

Professional Experience

33 years in stills photography, 23 years in videography & post production and 7 years in web site design and marketing.

Web TV

For your successful web videos we utilise powerful scripting, creative camera work and advanced post-production tools. For your website requirements these are then converted using advanced compression software & techniques to provide reliable streaming video media.

Awards

We have won the Queensland Tourism Awards - Media Section in 1996, 1997 & 1998. In 1999 we were the first business or individuals to be inducted into the Queensland Tourism Awards 'Hall of Fame' for our media production achievements.

Clients include

Cairns Convention Centre
Waks Developments
Perception Properties

Showmedia has also travelled extensively in Asia on assignments for Computer Associates and other international firms.
